

WELCOME TO NOLAN HILL

Calgary's North West community of Nolan Hill is inspired by old-world values and scenic traditional landscapes.

Jager Homes

Jager Homes has been delivering on the dream of new home ownership to families for over 65 years. What began with a single home built by Bill Jager in 1947, has grown to a company responsible for constructing homes for generations of Calgarians and the development of some of Calgary's most iconic neighbourhoods.

Where family comes first

Calgary's North West community of Nolan Hill is inspired by old-world values and scenic traditional landscapes. Walkways, park space and rolling hills mixed with the community's classic architecture.

Located just minutes from Stoney Trail you'll have easy access to all of the shopping, restaurants and recreation you and your family will need.
